FACIAL TREATMENTS

Crystal clear 60 minute **£39.50**

Crystal clear, microdermabrasion is a clinically proven skin – resurfacing treatment for the face, treating all skin care concerns. Dramatically & visibly improving the texture & appearance of the skin offering a flawless result for fine lines & wrinkles, scarring, sun damaged, pigment skin & problematic skin. Crystal clear works by blasting micro crystals into the skin breaking down dead skin cells, deeply exfoliating; resulting a more beautiful & rejuvenated skin.

Unisex treatment. Block bookings available

Epionce Lite Refresh Chemical Face Peel **£50.00**

The Epionce peel is a medically supervised chemical peel. This peel uses 2 main acids for addressing skin concerns- these are Malic Acid (30%) and Salicylic Acid (5%). Salicylic Acid and Malic Acid accelerate cell turn over with less exfoliation than other peels to reveal more beautiful, radiant skin. The peel also contains healing extracts such as willow bark so is great if your skin is inflamed. The peel is applied to the skin and is built up throughout your treatment course that a noticeable improvement can be seen throughout your journey.

This treatment is great for all skin types, even if you suffer from rosacea or sensitive skin! The treatment will help with acne, post-acne discolouration, rosacea, over red skin, sensitive skins & will improve signs of ageing and overall dullness of the skin working to rejuvenate and resurface the skin giving a instant glow by strengthening the skins natural barrier response.
